Dear Artist,

Thanks for considering McNemar House for your next venue. We book a very limited number of shows per year— one to two per month, and our annual lineup is highly curated to reflect a collection of artists we believe need to be heard. Our job at McNemar House is to fill as many seats as possible for the artists we book. In order to ensure that we can make every show a success, we jury all artist submissions. Our selections for bookings are based on how well we believe we can market your music at our venue based on your talent and stage presence, the quality of your promotional packet, and the genres of music that have had the best historical success at our venue. Due to overwhelming volume, we are unable to respond to each submission.

Truly,

Heather McNemar
